The Red Cross bloodmobile unit today has scheduled another visit to Albany on Thursday, January 22. Representatives of Albany Service Clubs met Monday evening in the Board of Education room to promote plans for the forthcoming bloodmobile visit which will be set up at Cornell School between 9 a.m. and 6 p.m.

Mrs. John D. Hicks, chairman of the Blood Donor Recruitment committee said today that success of the blood bank depends on participation of all clubs and organizations as well as individuals.

"All organizations in Albany are cordially invited to contribute to making the day a success," she said. President H. O. Fetter of the Rotary Club assisted Mrs. Hicks in organizing the meeting.

Albany SOROPTIMIST News

At the regular Wednesday meeting of the Soroptimist Club of Albany, following a three week holiday interval, Dorothy Simmons, chairman of the Service Committee urged all members to earnestly consider the need for blood donations.

One hundred of Albany's residents must volunteer for this most vital duty before the Red Cross Bloodmobile can set up headquarters at the Cornell School, scheduled for January 22, 1 to 6 p.m. If for any reason it is not convenient to go at that time, please call the Red Cross and make arrangements to donate at other stations. Dorothy urges that everyone who is able to take advantage of the privilege offered you, to do your part.

Cards were read from Mary and George Loos who are vacationing at Palm Springs. Dr. and June McMahon spent the holidays enjoying the snow at Strawberry.

Genevieve Douglas and Sally Nelson announced their intentions of attending the chartering of the new Soroptimist Club at Manteca, sponsored by the Stockton Club next Saturday evening. Anyone desiring to attend should contact Sally.

Quoting from the Soroscope, published by our most versatile Bea, attention is called to an article entitled "Ideals of Soroptimism."

"In the Soroptimist International Association Constitution adopted in 1928, it states: 'It shall be the policy of the Soroptimist International Association to maintain strict neutrality in regard to all national affairs and to avoid all discussions on political, religious, sectarian and racial questions.'"

President Ruby Kampe announced at the meeting to be held on January 14, chairman Catherine Hill will introduce speaker Mrs. Max Kelley who has chosen as her subject, "Experience of a Girl Who Once Lost Freedom."

Fireman Freddy Says

Oiling and cleaning electric motors maintains their efficiency and fire safety. Motors oiled periodically and kept free from dust and lint are not likely to overheat and burst into flame.

COUNCILMAN WILLIAM DONAHUE and Mayor Jerome Blank, left to right, accept large framed scroll signed by Gov. Earl Warren commending city of Albany for its record turnout at polls last November. Gov. Warren cited city's turnout of 89.02 per cent of eligible voters as compared to average State vote of 86.85 per cent and stated, "The people of Albany are entitled to the highest commendation for their civic consciousness and interest in public affairs which prompted this heavy voter turnout."

The NEWS in BRIEF

WELL, IT'S ALL OVER for another year, but the memory lingers on. Most of us by this time, no doubt, have exchanged Christmas gifts for correct sizes and less gaudy colors, broken all New Year's resolutions, and are now ready to settle back to less important things such as paying the bills and filling out Income Tax returns.

SICK LIST—Bill Cross of Cross & Bradlee Market, 1483 Solano Ave., today is home taking it easy after spending a few days in Albany Hospital. He expects to be back on the job within the next week or so. George Wilson, clerk at the market is back on duty after a week of illness. Mrs. Russell Bradlee also spent a few days in the local hospital.

ANOTHER GIRL—Mr. and Mrs. Stan Young of 631 Spokane Ave. are announcing the arrival of Patricia Gail, who checked in at Alta Bates Hospital Dec. 29. She weighed 7 pounds 14 ounces, and is the sister of Judith Ann, 5, and Carol Frances, 2. The father is a local realtor.

CHRISTMAS time was a gala affair at the home of Mr. and Mrs. Charles S. Hubbard of 1039 Evelyn Ave. Their son and daughter, Walter and Helen, both students of Biola College in Los Angeles, were home for the holidays, bringing with them a guest, Miss Rilla Bauer, also a Biola student from Grants Pass, Oregon.

CUSTOMERS and employees of Dagna's Market today have welcomed back Frank Barbano, fruit and vegetable buyer, who has been away from the store for the past three months recovering from a back injury. Frank says that he is now "fit as a fiddle and rearing to go."

"PARTNERSHIP"—Richard "Dick" Thomissen, local CPA and Rotarian, has announced the formation of a partnership with Edwin J. Donahue, CPA, for the practice of public accounting under the firm name of Thomissen and Donahue, at 1166 Solano Ave.

MRS. MARSHA WOOD—WORTH, Albany librarian today is temporarily confined to her home at 914 Tulare Ave. recovering from injuries received in an auto accident before Christmas.

President Harold Fetter will preside and introduce the program chairman, Dr. Gunnar Larson, who in turn will introduce the speaker.

Colored slides will be shown in conjunction with the address on the topic, "Foot Examinations for Our Children."

Chairmen assisting for the evening include Mrs. Harry W. Peterson, student aid; Mrs. L. Thomas Rossi, tea hostess, and Mrs. B. M. Eaton, telephone chairman.

'No Funds Available,' Says Council

The Albany City Council Monday night referred to a special budget session a request by the Albany Police and Fire Civil Service Club for a 10 per cent raise in salaries for police and firemen.

The pay hike request was made in a letter to the Council with the approval of Police Chief Stanley Williams and Fire Chief Fred Pimental.

Paul Hogue, president of the club explained in the letter that "since

At a special budget session Tuesday evening, the Council unanimously agreed there are no present funds available for the 10 per cent pay boost requested by the Police and Fire Civil Service Club.

Mayor Jerome Blank said that the Council is "sympathetic" to the pay hike request, but added that a survey of the budget shows "there doesn't seem to be any extra money there right now."

Blank added that a pay increase should be granted to all city employees—not just police and firemen.

our last salary increase, neighboring cities have increased the salaries of their city departments to cope with the rapid increase in the cost of living."

He also stated that a good living wage would not only afford a condition that tends to build up the candidates list of eligible police and firemen at examination time but that it also would have a tendency to produce a better grade of aspirants."

The proposed 10 per cent wage hike would cost the city an estimated \$16,500 annually. Police and firemen were among 60 other city employees receiving pay increases ranging from \$20 to \$75 a month last March.

In other action, the Council refused to amend an ordinance permitting construction of a trailer park on Eastshore Highway north of the overpass.

The request for waiver of the ordinance requirement of a \$100 a year per unit license fee was made by James G. Anderson, motel operator at the location, and was supported by the city Planning Commission.

The Council voted agreement with the recommendation of the Traffic and Safety Committee that a request to renumber addresses on San Pablo Ave., be denied. The request was made by the San Pablo Chamber of Commerce.

Were you able to watch one of the Bowl football games on New Year's Day? A lot of people did, all over the country... thanks to the second micro-wave to the Pacific Coast which went into operation during the holidays. Three games—the Sugar, Orange and Rose Bowl contests—were seen from coast to coast by millions of sports fans.

This new development means that all of the big national shows will soon be flashing on the screens of viewers just about anywhere in the United States where there's a television station... and that reminds me that there are some 2,000 new ones being planned within the next two or three years around the country.

The Bel Air four-door sedan is one of four body types with which Chevrolet pioneers a completely new series of passenger cars for 1953. Richness in exterior and interior appointments gives the series a distinction never previously achieved in the Chevrolet mark. Increased performance, comfort and convenience are common to the Bel Airs and the "One-Fifty" and "Two-Ten" series.

Sudsing Secures Firm Foundation

WITH THE SMOOTH, SLIM LINE being favored by Fashion designers have an especially important job of control to season. Whatever your figure type, a properly fitted foundation improves your appearance and safeguards your health. It is nominal to have duplicates: one to wear and one to wash.

spiration damage. For best results, wash a foundation inside out as the wrong side is most soiled from the body.

First close fasteners and soak briefly in warm soapsuds. Then squeeze or swish through the suds, scrubbing soiled spots with a well-lathered soft brush. Rinse in warm water, squeeze and knead in a to remove excess water.

To reshape, gently pull girdles and corselets crosswise lengthwise; stretch all stitching and the tape over the Straighten garters and smooth shoulder straps by drawing taut between your thumb and first finger. Shape bras by pulling each cup over your spread-out fingers, stretching seams and Hang it evenly over a line or towel bar or suspend it from a rod; you may hang a girdle by the garters, but never a bra straps. Tips on Touring
By Carol Lane
Women's Travel Authority
The wrong kind of "cold starting" will wear out your engine faster than a climb up Pike's Peak. Therefore it's important for you to know how to get your horsepower on the hoof properly in freezing weather. Don't pump the gas pedal before starting the engine, warns Shell Oil's automotive experts. It's not only futile, but may be actually harmful. Just depress your accelerator to the floor-board once, immediately after using your starting mechanism. If the engine doesn't start, stop at once and wait a few seconds. Repeat the procedure until the car does start.
The best insurance for prompt cold weather starting is to keep your battery and spark plugs in top condition. A quick examination of these items by your service station operator can forewarn you of any apparent weakness. Everybody knows the presence of water in a fuel system spells trouble. Gas motorists are finding the new gasoline system anti-freeze a big help in solving this problem.
All runners—human, equine and canine—warm up before a race. Your mechanical runner—your car—should be allowed to warm up, idle the motor for three or four minutes before putting it in gear, and you'll help increase its mileage.

MEMO To Mrs. Housewife

NATIONAL PRESS BUILDING
WASHINGTON, D. C.
By Anne Goss
Here's a sauce to remember. It elevates a fish or chicken loaf, usually strictly family fare, to "company class." To 1 cup medium thick white sauce add 1/4 cup sliced stuffed olives and 1/4 cup toasted slivered almonds. Just before serving, stir in 1/4 cup real mayonnaise. Serves 3 to 4.
All is not lost if a "diamond" falls out of your favorite costume jewelry. Crush a bit of aluminum foil to fit the cavity, paste it in and until you replace the stone few if any will be the wiser.
Sunday scrambled eggs should be special and they will be if you add to them 1 tsp. chopped parsley, or 1/2 cup grated cheese or ham, or 4 strips crumbled, cooked bacon, or 1/4 lb. dried frizzled beef, or 1 cup sauteed mushrooms. These proportions are based on 4 eggs.
Double trouble when winter snow and rain catches you without your boots or overshoes. Doctof up quickly to prevent a cold, then treat your footwear. After drying it thoroughly, apply a good wax-liquid or paste polish if its leather. Suedes need to be dried thoroughly, brushed, then polished with a suede dressing. Let dry. Brush. Steam over a boiling tea kettle to further raise nap.

Rub stamps, the glued side, over your hair before folding and they won't stick together. But don't do this in public or someone will suspect things.

CHICAGO — A roan Shorthorn
 won the world's championship in
 the International Live Stock Ex-
 position here. This popular grand
 champion was Ohio's Leader 2nd,
 shown by Ohio State University,
 Columbus. He was smooth, mellow
 and every inch a champion, accord-
 ing to Judge A. D. Weber, of Man-
 hattan, Kans. He slaughtered at a
 dressing percentage of more than
 68 per cent, showing a higher ratio
 of slaughter weight to live weight
 than any other International grand
 champion on record. He sold for
 \$4.55 per pound to bring his total
 earnings with prizes to \$6,350.

Church to Present Colorful Pageant

Saint Alban's Episcopal Church
 will present The Feast of Lights
 Sunday at 7:30 p.m. This is a color-
 ful pageant depicting the spread of
 Christian truth. It had its origin in
 the Eastern Church very early, even
 before the observance of Christmas
 by the Western Church.

The case, under the direction of
 Mrs. Wallace Mardilla consists of
 the following: Readers—Pat Royer
 and Grant Weeks, Mary—Helen
 Sterner; Joseph—Bob Cramer; An-
 gel—Mary Sterner; The Three
 Kings—Kent Price, Jim Godfrey,
 and Dan Perkins. Shepherds—John
 LePage, Judy Young and George
 Burman. Acolytes—Louis Wood
 and Fred Walter. Mrs. Oliver Herr
 is Senior Choir Director and Mrs.
 S. R. Dows is Organist.

Dark winter woollens are certain-
 ly problematical when it comes to
 keeping them lint-free. I suppose
 there's no sure way to keep them
 spic and span, but brushing them
 with a slightly dampened whisk
 broom will help.

Most men would cheerfully settle
 for French fries every night, but
 the rest of the family generally
 likes a bit of variety in potatoes.
 Here are spuds that are different
 and delicious: Cook potatoes in
 jackets until done. Peel. Roll in
 melted vitaminized margarine,
 then in grated cheese. Broil until
 nicely toasted.

If it's an off-season for salad
 greens, occasionally serve a relish
 tray of celery stuffed with a mix-
 ture of blue cheese and real may-
 onnaise. Also radish roses, carrot
 sticks, ripe and green olives, scal-
 lions or white onion rings.

Sermon Topic

"I Must Be in My Father's
 House" will be the sermon topic of
 the Rev. John Blackledge at the 11
 a.m. service Sunday at St. Alban's
